ROOF DECK EVENT SETUP

The Betsy – South Beach is the perfect location for production. Our team will make your shoot perfect in every way – whether you're doing a small catalogue, editorial shoot, press jacket, or major film.

VIP needs are high priority. Our rooms are luxurious and our staff is discreet and accommodating. Production teams receive free wireless, 24/7 access to our first floor Salon area for informal meetings, and an open invitation to in our award-winning late-night underground escape, B Bar, after long days of shooting.

BLT Steak, Betsy's in-house restaurant, offers some of the best food in the area, whether served in-house, in-room, or on-set. Production groups enjoy specially-priced 'to-go lunches or snack boxes' with hotel group bookings.

Guest rooms are easily arranged or re-arranged for hair and makeup, and our Executive Production Office space is adaptable for a wide range of uses, either back end or in front of the cameras. An on-property spa, featuring wellness treatments, also offers opportunity for personal relaxation. Valet Parking is available at reasonable prices.
