The Betsy - 1440 Ocean Drive, Miami Beach, FL 33139 - T. +1 3055316100

On the Art Deco Mecca that is Miami's Ocean Drive, a sole surviving example of "Florida Georgian" architecture exists that will imminently open as the city's latest luxury home-from-home. Built in 1942, The Betsy was always known for its old-school attitude towards luxury and service, something its new owners are keen to revitalize in an effort to differentiate from the ubiquitous shades of pastel and conceptual design of other hotels in this neighbourhood. Check in for a refreshing taste of the Miami of yesteryear.
