## VODKA

The word “vodka” was recorded for the first time in 1405 in akta grodzkie. At the time, the word vodka (wódka) referred to medicines and cosmetic products, while the beverage was called gorzałka (from the old polish gorzeć meaning “to burn”), which is also the source of ukrainian horilka.

## TEQUILA & MEZCAL

Tequila was first produced in the 16th century near the location of the city of tequila, which was not officially established until 1666. The aztec people had previously made a fermented beverage from the agave plant, long before the spanish arrived in 1521. When the spanish conquistadors ran out of their own brandy, they began to distill agave to produce one of north america’s first indigenous distilled spirits.
